"NORWAYS"

S STRICTLY a sanatorium for the care and treatment of the sick. It is not a place for persons in search of amusement. The institution is composed of separate buildings and is thoroughly equipped in every par-ticular. The grounds are extensive and beautiful. The cuisine is excel-lent. Every method of treatment of known value is employed by skilled

of nervous disease, both medical and surgical, rheumatism, kidney troubles, the various drug habits are accepted. Paralytic children and those in need of the "rest cure" are especially treated. Only mild mental cases are taken. Separate buildings for such patients,
